March 19, 2010

## WEEKLY HIGHWAY ALERT – RICHMOND DISTRICT

COLONIAL HEIGHTS – Road construction that is expected to cause delays from **Mar. 19-26, 2010** is listed below. Updates are marked in **bold**. **Events are subject to change depending on winter weather activities.**

As a result of the March “pothole blitz,” VDOT and highway maintenance contractors will be conducting “mobile” pothole patching operations daily between 9 a.m. and 4 p.m. on various routes in the Richmond area (Exception – Some road repairs must be done immediately for driver safety. This type of repair may occur during peak travel times). The location of the mobile operations changes daily and sometimes hourly. Please call 511 or visit [www.511virginia.org](http://www.511virginia.org) for real time information on the location and traffic impacts associated with mobile and emergency pothole patching operations. Drivers can also sign up to receive personalized traffic alerts by e-mail or text message. Real-time traffic camera images are available at [www.trafficland.com](http://www.trafficland.com).

For information about VDOT’s pothole response, visit <http://bit.ly/vdotpotholes>.

To submit a work request for state-maintained roads (for potholes, guardrail replacement, traffic lights, etc.) call VDOT’s Highway Helpline at 1-800-367-ROAD (7623) or complete the online form at <http://www.virginiadot.org/travel/citizen.asp>.

**Note:** mm stands for mile marker.

### HIGH PROFILE

*Highway safety is everyone's responsibility. Virginia's highway safety partnership — the Virginia Department of Transportation, Virginia Department of Motor Vehicles and Virginia State Police — challenges you to help prevent highway fatalities. Buckle up. Avoid distractions. Share the road. Drive drug- and alcohol-free. Obey speed limits. For more information on the Highway Safety Challenge and things you can do to avoid becoming Virginia's next traffic fatality, visit [www.safeVAhighways.org](http://www.safeVAhighways.org).*
